Saturday, August 21, 2010 -  
9:00 a.m. to 3:00 pm

An Event of the Valley Wide Kayak Club and Lake Hemet Municipal Water District

Thank you for your interest in the 9<sup>th</sup> Annual Women's Charity Paddle 2010. We are excited about the opportunity to raise money to send children with cancer to the beautiful Camp Ronald McDonald for Good Times where they can have fun and be kids, forget their fight for survival for a while, and have the kinds of experiences that make childhoods memorable.

Lake Hemet Municipal Water District owns Lake Hemet and there are a few rules we **must follow**. First, kayaks must be the sit-inside style. No inflatable or sit-on-top is allowed. Kayaks must be ten feet or more in length. PFD's are required. Only women sixteen years of age and older may paddle alone but younger girls may paddle in tandem kayaks with an adult. **And most important, each paddler must have completed their new Lake Hemet Safety Rescue Training, dated May, 2010 or later.** The class includes instruction in assisted and self-rescues and tips on ethics and kayaking with fishermen. A special Lake Hemet Safety Rescue Training will be offered on Sunday, August 15, 2010 at Lake Perris – Sail Cove at 10 am. Sign up with Safety Administrator Lynn Higbee at 951-780-9236 or [nlhigbee@earthlink.net](mailto:nlhigbee@earthlink.net). **If you can't make this date – you can take a class at Aqua-Adventures in Mission Bay [www.aqua-adventures.com](http://www.aqua-adventures.com).**

Upon receipt of your registration, you will be given a donor form to record your donations and an envelope to hold them. If you know of a business who might like to be a sponsor, there are sponsor forms available.

Please complete the form below, make your registration check for \$25.00 payable to Camp Ronald McDonald for Good Times and mail to the address below. Thank you for wanting to help raise funds for this worthy cause. If you have any questions, please call Diane Boss, (951) 634-4952 or email [dianeboss@hotmail.com](mailto:dianeboss@hotmail.com)

- Check here if you have a new Lake Hemet Safety Card issued by Aqua-Adventures as of May, 2010**
